When I first met Christina, it was the morning of my best friend's wedding of July '15. She arrived with a smile and an energy that instantly made you feel at ease. At the time, I was a bridesmaid and loved the airbrush makeup she applied. I was the first person to get makeup done and it lasted from 9am-1am the next day. It was gorgeous! After that, I knew I just had to have her for my own wedding on July 9, 2016. I'm happy to say the big day went without a hitch and all of my girls looked flawless. The makeup for myself, my five bridesmaids, my junior bridesmaid, my mom and my husband's mom was stunning! No one had to reapply anything because everything was perfect. Christina made me look and feel like the princess I've always wanted to be. My husband was beaming when I walked down the aisle and even got a little teary eyed. I love Christina and I know you will too! div

I could not have been more pleased with Christina to make my dream wedding look come true! I felt absolutely beautiful, and did not have to worry about how my makeup looked at all on my wedding day, because I knew Christina used products that worked well with my skin, would look wonderful in pictures, and would last throughout the day and night. She made sure to talk with me about my complexion and what works for my skin during our trial run, and she carefully mapped out exactly what type of makeup she used for the trial so that it would come out looking the same for the wedding day. She was very flexible, approachable, fun to work with, and I am so pleased with how it all turned out, especially in my pictures! She worked very hard to learn about the look I was going for, and she definitely achieved it!
